

Dear Camden Police Federal Credit Union Member,

Since its founding in 1949, Camden Police Federal Credit Union (Camden Police) has existed to provide members with quality products and services at attractive rates, with the personal service of a member owned financial institution. Your volunteer board of directors is committed to seeing that your credit union membership continues to provide meaningful value to our members.

As you are aware, after careful consideration, the Camden Police board has concluded that our members would be best served by partnering with First Harvest Credit Union. A vote by our membership affirmed this decision.

Today, Camden Police and First Harvest Credit Union are happy to announce that on November 1, 2021, Camden Police is joining First Harvest Credit Union.

As a First Harvest member, you'll receive the same high-quality service that you have come to expect from Peggy and Terri. In addition, you'll have access to a number of exciting new benefits, including:

- **Additional branches and extended hours** – First Harvest operates ten branches throughout Southern New Jersey and Pennsylvania. Many branches offer Saturday morning hours, and the Glassboro loan center offers evening hours on Thursday and Friday. Our Camden branch is less than a block away from the current branch for Camden Police.
- **Debit Cards and Access to Allpoint® ATMs** – Members have access to more than 55,000 surcharge-free ATMs throughout the world.
- **Additional Loan Products** such as new and used car loans, home equity loans and first mortgages and credit cards.

- **Added Convenience** with Online banking, remote deposit capture and BillPay

- **Tuition Rewards** – Earn guaranteed scholarships at more than 400 colleges, by simply keeping your funds in a First Harvest deposit account.
